

## ISO 10383 – Market Identifier Codes

Additional information about the updates to the June 2026 release

What are the changes since the previous release in May 2026?

Modifications implementation date: 22-June-2026  
Next release publication: 13-July-2026

Please be advised that the Registration Authority (RA) performs regular maintenance on the MIC records on a monthly basis. During these updates, efforts are made to improve data quality and completeness. All organizations are hereby reminded that they bear full responsibility for promptly informing the Registration Authority (RA) of any changes to their organizational details. This includes, but is not limited to, updates to legal entity names, LEI codes, market category classifications, website URLs, and any other relevant identifiers or descriptive fields. Timely and accurate communication of such changes is essential to ensure the integrity and reliability of the maintained records. Failure to notify the RA may result in discrepancies that could impact regulatory compliance and operational transparency.
