

ISO 10383 website - Terms of use

This is the official ISO 10383 Website under a grant of authority and agreement with the ISO Central Secretariat.

Warning:

Although the material on this site is intended to be used and reproduced freely by all interested users, all visitors of the site are hereby notified that the material contained on the site changes, is maintained and kept up to date frequently and should be the sole source for such information. You are granted a non-exclusive right to access and use the information on this website excluding the right to reproduce all or substantial part of this website for the purpose of making such reproductions available to third parties.

Disclaimer:

Although the Registration Authority has used all reasonable efforts to ensure accuracy of the contents of this website and the information published thereon, the Registration Authority assumes no liability whatsoever for any inadvertent errors or omissions that may appear thereon.

Moreover, the information is provided on an "as is" basis. The Registration Authority disclaims all warranties and conditions, either express or implied, including but not limited to implied warranties of merchantability, title, non-infringement and fitness for a particular purpose.

Neither the Registration Authority, nor ISO nor any of its members shall be liable for any direct, indirect, special or consequential damages arising out of the use of the information published on this website, even if the Registration Authority, ISO or any of its members have been advised of the possibility of such damages.
